

# COMMUNITY-ENGAGED RESEARCH SYMPOSIUM (LEVEL 1)

Sept. 6, 2019 | 8:00 am - 4:00 pm

Join us for free capacity-building workshops and interactive presentations on implementing community-engaged research to advance health equity!

Xavier University of Louisiana | Convocation Annex | 7910 Stroelitz St. | New Orleans, LA 70125

**Who should attend?** Community members, students/faculty members/investigators and scholars at all LA CaTS Center member institutions

#### Why should you attend?

- learn or gain a deeper understanding of Community Based Participatory Research (CBPR),
- engage with fellow community members and researchers to apply best practices for building true community-academic partnerships for more effective health research

**REGISTER NOW**

Online participation and on-site registration will be available.

**QUESTIONS?** Contact [Community@LACaTS.org](mailto:Community@LACaTS.org) or call 504-520-5033.
