

In conjunction with
The Louisiana Technology Transfer Office
Presents

A NIH (National Institutes of Health) SBIR-STTR Proposal Preparation &
Commercialization Planning Workshop

Presentations by BBC Entrepreneurial Training & Consulting, LLC

Wednesday September 12th and Thursday September 13th

Hosted by the Bio Innovation Center of New Orleans

At the NOBIC offices, 1441 Canal Street, New Orleans, LA 70112

Over \$1 Billion is available each year via the NIH SBIR/STTR Program...!!!

"This promises to be a comprehensive and informative event for those pursuing or planning SBIR/STTR proposals to NIH. Sessions will be taught by nationally renowned NIH SBIR/STTR consultant Becky Aistrup of BBC, Etc. You will hear an in-depth presentation on writing an NIH SBIR/STTR proposal, plus learn how to plan and engage with the NIH to make your proposal more compelling and compliant! The day and a half agenda will allow for plenty of time to network, ask questions and get updated on what you need to be successful with your NIH proposals."

.....Andy McCandless, SBIRC President and SBIR Awardee

Cost to attend this 2-day event is \$25 for SBIRC members and \$50 for all others.

(Day One lunch included in cost)
