

# LA CaTS Level II Research Coordinator Training

*Tulane University 1<sup>st</sup> Floor Diboll Gallery*

*1440 Canal Street*

*New Orleans LA 70119*

*Friday, May 6, 2016 from 8am to 4pm*

Registration is now open for The LA CaTS Level II Clinical Research Coordinators Training will be held from 8 a.m. until 4 p.m. on May 6, 2016 at Tulane University in New Orleans (1st Floor Diboll Auditorium, Tidewater Building – 1440 Canal Street). This interactive training session will consist of case study presentations and discussions with four Principal Investigator (PI) Mentors. Each PI Mentor will have case studies that reflect a specific category in research. Small groups will be assembled to discuss the case studies, while the PI Mentor and experts from IRB, Clinical Research, Compliance, and Legal will be available to offer guidance to the groups.

To be eligible, participants must have completed the LA CaTS Level I Coordinator Training held in November 2015. They must also: a) have a Bachelor's degree and 2 years of clinical research experience, or b) have at least 5 years of clinical research experience. This event is FREE and open to all LA CaTS institutions. Participants will receive a LA CaTS certificate for completing the program.
